of the  
National Society of the Sons of the American Revolution  
Patriots and Members Data**

There are three data files: **MOSSAR<sup>1</sup> Patriots**, **MOSSAR Members** and **Missouri Patriot Graves**.

**MOSSAR Patriots** is an alphabetical listing by Patriot Surname with associated member names and NSSAR<sup>2</sup> Membership Number.

**MOSSAR Members** is an alphabetical listing by Member Surname with associated NSSAR Membership Number and Patriots.

**MOSSAR Patriots** and **MOSSAR Members** data may assist you in identification of your Patriots and members of your family that joined MOSSAR. A copy of the genealogy from member to Patriot may be ordered from NSSAR. The document is called a Record Copy and will contain the “best information” available when submitted. Some of the earlier applications may require additional research to validate dates, places and names. The assistance of a current MOSSAR member may be helpful to you. Please check the Chapters page of this web site to locate a Chapter near your residence and contact it for assistance.
