

M.S.S.C.A.R. State President's Project

Teddy Moll, State President

Jacquelyn Winston, Senior State President

This year State President Teddy Moll's project is
Treasuring the Terrific Turtles of Missouri.

M.S.S.C.A.R is focusing on conserving our state's biodiversity by raising funds to donate to the Missouri Conservation Heritage Foundation for the conservation of four turtles: the Western Chicken Turtle, the Yellow Mud Turtle, the Blanding's Turtle, and finally, the Alligator Snapping Turtle. Three of these are endangered in Missouri, and one is imperiled. Three are also under consideration for federal listing.

The Missouri Conservation Heritage Foundation is a nonprofit 501(c)(3) organization that advances the conservation and appreciation of forest, fish and wildlife resources by applying financial resources to the priorities of the Missouri Department of Conservation. The funds donated by M.S.S.C.A.R. will be allocated specifically for the conservation of these four turtles.

To support the project, lapel pins designed by Teddy and opportunities for a Bicentennial Folding Rocker (pictured on the right) are available for purchase. Pins are \$10 each. Opportunities are 1/\$1 or 6/\$5 and will be drawn at the 2026 M.S.S.C.A.R. State Conference. All proceeds will go to the state project.
